Announcement

ADEKA Europe GmbH appoints

Safic-Alcan Chimsnab EAD as his chosen distributor

Germany Düsseldorf, 1.06.2016 - ADEKA Europe GmbH is pleased to announce that it has entered an agreement with Safic-Alcan Chimsnab EAD appointing it as a distributor for Bulgaria. The agreement will be effective from June 1st, 2016.

Safic-Alcan Chimsnab EAD will be responsible for the distribution of ADEKA NOL GT-730, a product developed in Japan for the cosmetic industry for application in the make-up, skin care, decorative as well as hair care area. This new partnership with Safic-Alcan Chimsnab EAD will ensure prompt local supply and easy access to a team able to competently advise on the optimal solution for customers’ requirements.

This partnership represents a significant development in Bulgaria and strengthens the collaboration between Safic-Alcan Group and Adeka Europe GmbH, following the agreement already effective in Czech Republic, Hungary & Slovakia and Poland.

About Safic Alcan Group

Safic-Alcan, a French multinational distributor of specialty chemicals headquartered in Paris-La Défense (France), develops and provides a large range of polymers, materials and additives for the rubber, coatings, pharmaceuticals and cosmetics industries. The Group is present in all major countries of the European Union, as well as in Turkey, and China with on-going strategic development in Eastern European countries and the United States. In 2015, Safic-Alcan posted nearly 466 M€ of revenues.
