Safic-Alcan Group announces new distribution agreements with Evonik Functional Silanes

Paris–La Défense, November 16th 2020 – Safic-Alcan announces new distribution partnerships with Evonik in the Benelux and the Nordic Region.

Safic-Alcan is pleased to announce that as of 1st January 2021, it will become Evonik's distribution partner in the BeNeLux and the Nordic Region for the following brands and industries:

1/ DYNASYLAN®
for all industries

2/ PROTECTOSIL®
for the construction industry

“Extending our already successful cooperation with Evonik in the BeNeLux brings a strong portfolio with wide application fields and brings again *innovative solutions* to our customers,” commented Jos Van Buul, Managing Director Safic-Alcan Nocarbo BV.

“We see Evonik Functional Silanes as a perfect match to continuously grow our value offering by technical solutions/functions to the Nordic market into our core business segments. We are thrilled to get started and take these products to our customers,” added Andreas Frisen, Managing Director Safic-Alcan Nordic AB.

“We are delighted to extend our cooperation with Evonik. This reinforces our ambition to become a leading Specialty Chemicals distributor in the European CASE market,” stated Yann Lissillour, Managing Director CASE & Industrial Specialties for Safic-Alcan Group.
