

## PRESS RELEASE

### Safic-Alcan extends Eurotec distribution Agreement in Poland

**Paris–La Défense, January 13 2020 – Safic-Alcan, a global distributor of specialty chemicals, is pleased to announce that it has extended its distribution partnership with Eurotec in Poland, effective January 1<sup>st</sup> 2020.**

The agreement covers the full range of engineering plastic compounds sold under the brands: **Tecomid®**, **Tecodur®**, **Tecopet®**, **Tecotek®**, **Tecolen®**, **Tecoform®**, **Tecopeek®**, **Tecoflex®**, **Tecoket®**, **Tecotron®**.

These compounds are used in a wide variety of applications such as: Automotive, Home Appliances, Electrical Equipment, Sports & Leisure, Security, Medical, Furniture, ....

Safic-Alcan is already a successful partner of Eurotec in Turkey, Czech Republic, Slovakia, Hungary, Spain, France and Germany (Southern region).

« This new agreement is the result of our longstanding relationship and successful partnership with Eurotec. We are confident that this new opportunity will allow us to grow our business further in Poland while enhancing our image as a global and leading distributor of specialty chemicals and polymers », stated Philippe Combette, CEO of Safic-Alcan.

« We, at Eurotec, would like to strengthen our position in European market thus re-structuring our distribution channels. The most powerful part of Eurotec is 'customer oriented business model' which differentiate us and add value to our business partners in more than 40 countries all around the World », stated Reha Gür, Managing Partner and Commercial Director of Eurotec.

“Safic Alcan and Eurotec have similar business model and customer satisfaction mentality. Therefore, adding this new distribution agreement will bring better service quality to the market” added Rehan Gür.
