OVERVIEW

This solid shampoo brings shine and nutrition to the hair thanks to the blend of oils : Neossance® Squalane and Hemisqualane. Neossance® Hemisqualane also provides protection against environmental damage. Sabonal C1618 and Floralipids® Moringa Butter allow to obtain a solid product which creates a light foam thanks to Elfan® AT 84 and Soapnut Extract Powder, and leaves a soft odor of lavender to the hair after washing.
