

BLACK SOLID CLEANSER

FR23KITPGL.BLACKSOLIDCLEANSER

FR23KITPGL

OVERVIEW

Discover our purifying black solid cleanser, enriched with bamboo charcoal powder, a natural ingredient with powerful absorbing and purifying properties. It helps eliminate impurities and excess sebum. The combination of jojoba butter and sumac wax creates a melting texture on application. Thanks to a natural, gentle foaming agent adapted to oil-rich formulas, the soap bar transforms into milk on contact with water and rinses off easily, leaving skin clean, soft and protected.

Phase	Trade Name	Supplier	European I.N.C.I. Name	Function	%
A	Sumac Wax / Berry Wax	NOREVO*	Rhus Succedanea Fruit Cera / Rhus Verniciflua Peel Cera	Consistency Agent	17,70
