FRESH AND RICH DAY CREAM

001.Z8

ISO 16128

OVERVIEW

This fresh and rich day cream is obtained through the combination of SAFIC' Care T SP which gives a smooth and unctuous texture, with Pellicer™ LB-30G, a cold-processable oil-in-water emulsifier which allows to get gel-cream textures. The first feeling is fresh but the oil phase containing Neossance™ Squalane and Silsoft 034 brings a nourishing after-feel. The cocktail of actives Lift Oléoactif® and Aquaxyl™ will take care of your skin.
